# Problem Statement

- ▶ Create a digital portfolio that effectively showcases an individual's or organization's work, skills, and accomplishments in a visually appealing and user-friendly manner, while also providing easy navigation and accessibility across various devices and platforms.

# Project Overview

- ▶ Create a professional digital portfolio to showcase work, skills, and accomplishments, enhancing online presence and credibility.
- ▶ Key Features
  - ▶ 1. Project Showcase : Display projects with images, descriptions, and links.
  - ▶ 2. About Section : Provide background information and contact details.

# End Users

## Primary End Users

1. Job seekers : Showcase skills and experience to potential employers.
2. Freelancers : Demonstrate expertise and attract clients.

## Secondary End Users

1. Potential clients : Evaluate services and expertise.
2. Employers : Assess candidate skills and experience.

# Tools and Technologies

## Website Builders

1. Wax : User-friendly interface, customizable templates.
2. WordPress : Highly customizable, extensive plugin library.

## Design and Development Tools

1. HTML/CSS : Essential for custom web development.
2. JavaScript : Adds interactivity and dynamic effects.

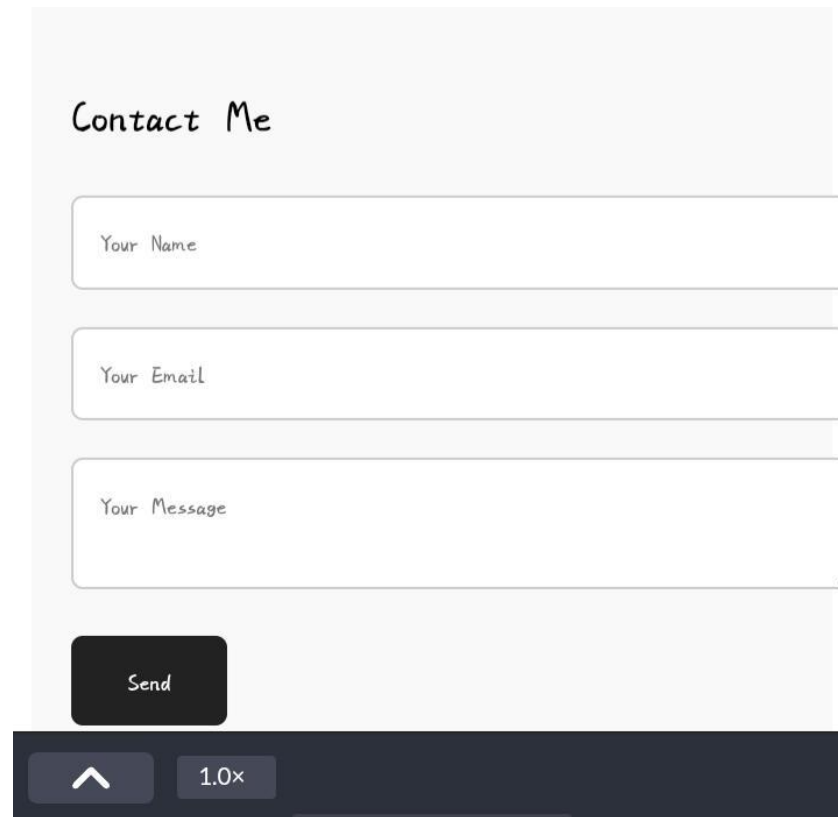

# Portfolio design and Layout

- ▶ Key Elements
  - ▶ 1. Clear Navigation : Easy-to-use menu and intuitive layout.
  - ▶ 2. Visual Hierarchy : Organized content with clear headings and sections.
  - ▶ 3. Consistent Branding : Uniform typography, colors, and imagery.
  - ▶ 4. Responsive Design : Adapts to various devices and screen sizes.

# Features and Functionality

- ▶ Essential Features
  - ▶ 1. Project Showcase : Display projects with images, descriptions, and links.
  - ▶ 2. About Section : Provide background information and contact details.
  - ▶ 3. Responsive Design : Ensure adaptability to various devices and screen sizes.
  - ▶ 4. Easy Navigation : Intuitive menu and clear categorization.
  - ▶ 5. Contact Form : Allow visitors to reach out directly.

# Result and Screenshots

A screenshot of a mobile application interface showing a contact form. The form is titled "Contact Me" in a black, monospace-style font. It contains three input fields: "Your Name", "Your Email", and "Your Message", each with a light gray border and a light gray background. Below the input fields is a dark gray "Send" button. At the bottom of the screen is a dark gray navigation bar with a white upward-pointing arrow icon and the text "1.0x". The background of the app is a light gray, and the overall image has a green geometric pattern on the right side.
